Referred to: Complaints Resolution Committee

Date of Decision: March 2014

This complaint was submitted by a member of the public who was concerned about the actions of an ABCFP member. The allegations related to an RPF's role in the planned removal of timber from within designated Old Growth Management Areas over a five-year period.

Decision

The registrar reviewed this complaint and found it to contain shared allegations with another ongoing complaint against the same ABCFP member. In consultation with the ABCFP's legal counsel and the complainant, the registrar deferred these allegations to the case that was already underway.
