**Discipline Case:** 2014-03

**Subject Member:** Registered Professional Forester

**Referred to:** Complaints Resolution Committee

**Date of Decision:** April 2014

## **Allegations**

This complaint was submitted by a member of the public who was concerned about a member's professional conduct in relation to a set of stumpage rate calculations and resulting government revenues. The basis for this complaint was the same as our previous complaint 2009-10. Complaint 2009-10 was eventually resolved through an agreement between the parties to the complainant. A case digest has been published for this complaint.

## **Decision**

Our legal counsel has advised that we cannot accept a second complaint based on the same concerns as case 2009-10. A person does not have to answer twice to the same set of allegations. This complaint is now closed.
